EXAMINER INTERVIEW SUMMARY RECORD

All participants (applicant, applicant's representative, PTO personnel):

- (1) Mark Brown (3) _____
(2) Kathleen Daley (4) _____

Date of interview 2/1/90

Type: ☐ Telephonic ☒ Personal (copy is given to ☐ applicant ☒ applicant's representative).

Exhibit shown or demonstration conducted: ☒ Yes ☐ No. If yes, brief description: Counsel showed the tube used in conjunction with this dressing.

Agreement ☐ was reached with respect to some or all of the claims in question. ☒ was not reached.

Claims discussed: newly proposed claims 19-23 (attached)

Identification of prior art discussed: all (specifically Miller and Groves)

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Counsel proposed new claims which specify that the tube is located internally of wound dressing, not at the dressing edge, and that the tube terminates adjacent the skin contact surface. Examiner agrees that neither Groves or Miller teach that specifically but that these claims may be subject to an obvious rejection and will be subject to further review.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
